YMCA of Greater Halifax/Dartmouth

Notes to the financial statements

December 31, 2023

1. Nature and continuance of operations

The YMCA of Greater Halifax/Dartmouth (the "Association") is incorporated as an association without share capital under the laws of Nova Scotia. The Association is a charity dedicated to the growth of all persons in spirit, mind and body and to their sense of responsibility to each other and the global community. The Association is a registered charity under the Income Tax Act and accordingly is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

2. Summary of significant accounting policies

These financial statements have been prepared by management on the basis of accounting principles applicable to a going concern, which assume that the Association will continue to operate in the foreseeable future and will be able to realize its assets and discharge its liabilities in the normal course of operations.

Basis of accounting

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles using Canadian accounting standards for not-for-profit organizations ("ASNPO") in Part III of the CPA Handbook.

Fund accounting

The financial statements include the following funds:

Internally restricted fund

The internally restricted fund represents funds internally restricted by the Board of Directors for capital reinvestment for Big Cove Camp in the amount of \$56,287. The amount of funding available for capital investment in each year is approved by the Big Cove Advisory Committee and requires the explicit approval of the Board. This fund also accumulates a share of the earnings from Big Cove Camp operations annually.

Unrestricted fund

The unrestricted fund accounts for the Association's excess of revenue over expenses from program delivery, development and Association services.

Revenue recognition

The Association follows the deferral method of accounting for contributions, which include donations, grants and bequests.

Revenue from government grants and contributions and other grants consists of both unrestricted and restricted contributions.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

YMCA of Greater Halifax/Dartmouth

Notes to the financial statements

December 31, 2023

2. Summary of significant accounting policies (continued)

Revenue recognition (continued)

Externally restricted contributions other than endowment contributions are recognized as revenue in the year in which the related expenses are recognized or the related restrictions are met. Unearned amounts are recorded as deferred contributions for expenses of future periods. Contributions restricted for the purchase of capital assets are deferred and amortized into revenue at a rate corresponding with the amortization rate for the related capital assets. Endowment contributions would be recorded as a direct increase to net assets as received.

Membership and program revenues are recorded in the period in which the serves are provided and collection is reasonably assured. Unearned amounts are recorded as deferred revenue.

Investment income is recognized as revenue when earned.

Pledges and bequests

Revenue from annual campaign and in-memoriam donations are recognized on a cash basis, with no accrual being made for amounts pledged but not received.

The Association is the beneficiary under various wills and trust agreements, the total realizable amounts of which are not at present readily determinable. The Association records such bequests when the proceeds are received.

Contributed services

A substantial number of volunteers contribute a significant amount of their time each year. Due to the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and amounts on deposit with financial institutions.

Capital assets

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Association's ability to provide services, it's carrying amount is written down to its residual value.

Capital assets, other than land, are amortized on a straight-line basis using the following annual rates:

Buildings	25-40 years
Computer and software	5 years
Land improvements	15 years
Leasehold improvements	5-10 years
Furniture and equipment	5-10 years
Mechanical systems	15 years

YMCA of Greater Halifax/Dartmouth

Notes to the financial statements

December 31, 2023

2. Summary of significant accounting policies (continued)

Financial instruments

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Association has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Association determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Association expects to realize by exercising its right to any collateral.

If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

- a) The Association's financial instruments consist of cash and cash equivalents, receivables, payables and accruals, and long term debt. The carrying values of receivables and payables and accruals approximate fair values due to their short term nature. The Association records its investments at fair values. These financial instruments are placed in interest-bearing accounts and instruments insured by a Canadian chartered bank, or in highly liquid investments that are readily convertible into cash

The Association did not enter into any derivative financial arrangements.

- b) Risk management includes the understanding and active management of risks associated with all areas of the business and the associated operating environment. Financial instruments are primarily exposed to interest rate, credit and liquidity risk.
 - i) Interest rate risk
Interest rate risk refers to the impact of future changes in interest rates on cash flows and fair value of assets and liabilities. The Association holds variable rate debt which gives rise to exposure from changes in interest rates applied to future cash flows.
 - ii) Credit risk
Financial instruments which potentially subject the Association to credit risk consist primarily of cash and cash equivalents and receivables. The Association limits the amount of credit exposure with its cash and cash equivalents balances by only maintaining holdings with major Canadian financial institutions. Receivables are managed by closely monitoring outstanding balances and ensuring that any late payments or deviations are investigated.

YMCA of Greater Halifax/Dartmouth

Notes to the financial statements

December 31, 2023

2. Summary of significant accounting policies (continued)

Financial instruments (continued)

iii) Liquidity risk

Liquidity risk is the risk of not being able to meet the Association's cash requirements in a timely and cost effective manner. Liquidity requirements are managed through the receipt of funds from the Association's various revenue sources. These sources of funds are used to pay operating expenses, purchase capital assets and meet debt service requirements. In the normal course of business, the Association enters into contracts that give rise to commitments for future payments which may also impact the Associations' liquidity.

Use of estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Significant items subject to such estimates and assumptions include the allowance for doubtful accounts and amortization periods selected for capital assets. Actual results could differ from those estimates.

Less: current portion of deferred capital contributions	<u>(862,666)</u>	<u>(637,196)</u>
Total long term portion deferred capital contributions	\$ <u>22,374,352</u>	\$ <u>21,631,911</u>

YMCA of Greater Halifax/Dartmouth

Notes to the financial statements

December 31, 2023

7. Inter fund transfers

During the year \$Nil (2022 - \$164,853) was transferred from internally restricted net assets to unrestricted net assets to reflect these balances are now available for general operations of the Association.

Big Cove operated at a loss in 2023, as such there was not sharing of the net contribution in 2023 - \$Nil (2022 - \$Nil) in accordance with the terms of a pre-determined funding formula sharing 75% of net contribution on annual revenues and expenditures.

For 2023 Big Cove annual revenues and expenditures were \$816,323 and \$869,301 respectively for an overall loss of (\$52,931). The expenditures included Hurricane Fiona cleanup costs of \$305,653. The total clean-up costs for the site are estimated at \$450,000. YMCA is responsible for the first \$100,000 of costs associated with the insurance deductible shared by YCAN and YMCA, residual clean up costs will be covered by insurance. Site clean up is anticipated to be completed in 2024.

8. Investment income

Since 1984 the Association has become entitled to interests in the residue of three estates.

In 1984 entitlement to a one-half interest in the residue of the Estate of A. Murray MacKay. Under the terms of the will, the investments are to be held in a perpetual trust with an income allocation therefore being paid to the beneficiaries on a monthly basis.

In 1994 entitlement to a 2% interest in the residue of the Estate of O.E. Smith. Under the terms of the will, the investments are to be held in a perpetual trust with income allocations therefore being paid to the beneficiaries on a quarterly basis.

In 2009 entitlement to a .667% interest in the residue of the Estate of Jean W. Lamb. Under the terms of the will, the investments are to be held in a perpetual trust with income allocations therefore being paid to the beneficiaries on an annual basis.

The Association also earned interest on accumulating cash balances in both operating and savings bank accounts in 2023.

	<u>2023</u>		<u>2022</u>
Interest from Estate of A. Murray MacKay	\$ 36,493	\$	27,674
Interest from Estate of Jean W. Lamb	1,367		630
Interest from Estate of Jean W. Lamb	1,001		-

9. Supplemental cash flow information	<u>2023</u>	<u>2022</u>
Change in non-cash operating working capital		
Receivables	\$ (299,485)	\$ (228,098)
Prepaid expenses	(4,901)	(19,797)
Payables to related parties	4,148,401	45,972
Payables and accruals	234,382	387,017
Deferred revenue	<u>(99,860)</u>	<u>47,345</u>
	<u>\$ 3,978,537</u>	<u>\$ 232,439</u>

10. Commitments

The Association is party to operating leases and is committed to annual lease payments for leased premises and equipment. Payments for the next 5 years are estimated as follows:

2024	1,114,874
2025	1,064,335
2026	973,836
2027	954,706
2028	876,261

11. Related party transactions

The Association purchases services from YMCA Canada and other YMCA associations. These transactions are in the normal course of business and are measured at the exchange amount, which is the amount of consideration established and agreed to by related parties.

	<u>2023</u>	<u>2022</u>
YMCA Canada		
Association fees	\$ 269,852	\$ 253,878
YMCA Canada East RDC		
Shared projects	433,832	255,137
Other YMCA associations		
Rent, training and consulting fees and MIS	374,082	513,720

Included in receivables is \$19,387 (2022 - \$35,279) owing from other YMCA associations.

Included in related party payables is \$26,926 (2022 - \$45,972) due to YMCA Canada for deferred association fees related to 2023 and to other YMCA Associations for capital projects in licensed child care in the amount of \$4,163,271 (2022 - \$Nil).

Included in long term debt is \$80,721 (2022 - \$99,389) owing to YMCA Canada.

YMCA of Greater Halifax/Dartmouth

Notes to the financial statements

December 31, 2023

12. Employee pension plan

Employees of the Association participate in the Canadian YMCA Retirement Fund (the “Fund”) a contributory defined contribution pension plan which provides pension benefits to employees. Contributions to the Fund are required by both the eligible employees and the employer. Total employer contributions for 2023 were \$300,811 (2022 - \$264,492) and are recognized as an expense in the year. The Association is not responsible for any under-funded liability, nor does the Association have any access to any surplus that may arise in this Fund.

13. Comparative figures

Certain comparative figures have been adjusted from those previously presented to conform to the presentation of the 2023 financial statements.
