

## Corporate Engagement Opportunities at the YMCA of Greater Halifax/Dartmouth

The YMCA of Greater Halifax/Dartmouth is a charity with 172 years of history in Nova Scotia. Through our corporate engagement program, we offer meaningful, hands-on corporate engagement opportunities for organizations looking to make tangible, local impact.

Through these experiences, your team will connect directly with the communities they work in, gain a deeper understanding of the YMCA's work, receive a guided tour of the facility, learn about the ways that their company supports the YMCA, contribute to the delivery of one of our programs, and enjoy a snack - all while sharing a meaningful out-of-office experience with their colleagues.

### What's in it for your team?

- Strengthened team building and connection
- Increased employee morale and engagement
- A structured opportunity to use employee volunteer hours
- Enhanced teamwork skills
- Public recognition of your impact via YMCA social media channels

### Current opportunities available:

- **Y Eats Food Security Program:** Prepare and serve a meal for children in our after-school program
- **Day Camp Programming:** Support staff in facilitating games, and activities
- **YMCA Big Cove Overnight Camp:** Contribute to the upkeep and enhancement of camp facilities

### Suggested contribution: \$3,000

Your contribution directly supports the impact area of your choice, while offsetting any costs associated with delivering this engagement opportunity.

To explore how your organization can get involved or to learn more about additional giving opportunities, please connect with Emmet @ [emmet-jamal.brown@halifax.ymca.ca](mailto:emmet-jamal.brown@halifax.ymca.ca).
