Reminders and More Helpful Information

YPHD Before and Afterschool Registration Package

The YPHD Registration Package is **required** for each individualized student in the program. For example: If you are registering more than one child in program, each child will need a completed registration form.

Once you have electronically signed the registration package, a copy of the signed package is automatically sent to the Program Manager, and Registration Coordinator. It will then be filed for easy access at your child's specific site.

If a registration package isn't completed before the start of the school year, then your child will be withdrawn from the program.

If you are experiencing registration challenges, please reach out to childcare.registration@halifax.ymca.ca or Anna Ryan, YPHD Before and Afterschool Program Manager, via email at anna.ryan@halifax.ymca.ca.
